

Caller ID

See the number and name calling before you answer the phone.

Price: \$3.00/mo Number Delivery Only

\$4.95/mo with Name and Number Delivery

How it works:

When you receive a call, the number and name of the person calling you is shown on your Caller ID display screen.

How to use:

1. When you receive a call, wait until your telephone completes the first ringing signal.
2. The telephone number and name of the person calling you will automatically appear on your display screen.
3. If you choose to answer the call, the number will remain on the screen until you or the caller hangs up.

Notes:

-Subscription to Caller ID requires the lease or purchase of display telephone or an add-on display unit.

-If the letter "P" or "Private" appears on your screen, the caller may have blocked the display of their number by pressing *67 (or dialing 1167 on a rotary phone) before placing the call. You can choose whether or not to answer the call.

-If "unknown name," "unknown number," "out of area," or "o" appears, the caller is in an area that does not support Caller ID services.
